

# Great Smoky Mountain, Sea Scouts, BSA Presents: Seabadge Course SB-42-TN-2019

**Seabadge is intense leadership** and management training focused on the “how-to” aspects of managing a **successful youth-led Sea Scout program.**

However, much of the content is applicable to anyone who works with older youth, and the course is a great way to satisfy your curiosity about the Sea Scout program. **There is no requirement to be a Sea Scout leader to attend**, but Sea Scout Adult Leader Basic Training (available online) is a prerequisite.
