## Philmont Scout Ranch Summer Trek

June 22-July 5, 2020

How would you like to spend 12 days this summer backpacking in the Sangre de Cristo Mountains of Philmont Scout Ranch? If that sounds like an adventure for you, join us in one of our GSMC Scouting High Adventure Treks as we head off into the wilderness in Cimarron, New Mexico on the adventure of a lifetime.

### The Philmont Backpacking Experience

Philmont is 137,493 acres of challenging Scout adventure set among the mountains and mesas of northeastern New Mexico. It was the gift of Waite Phillips, who “donated and dedicated (it) to the Boy Scouts of America for the purpose of perpetuating faith, self-reliance, integrity, freedom and principles used to build this great country by the American Pioneer.” Philmont’s mountain terrain ranges in elevation from 6,600 feet at Headquarters to 12,441 feet at the top of Baldy Mountain. Summer daytime temperatures often reach into the 90’s, but nights cool to the 40’s. Wildlife is abundant on Philmont’s forested mountains and grassy plains. Deer, elk, mountain lion, bear, bobcat, buffalo, and antelope are frequently spotted by observant campers on the ranch.
