Scout Challenge - Week 4 Iron Chef Week

1. Cook a meal for your family, something you have never cooked before, and create the shopping list if you need any items not already at your home.
2. Foil Pack Creations - get creative with what you put in a foil pack meal then submit a picture of what you cook!
3. Create your own cookbook (or recipe box or digital folder) and put all your favorite recipes in it.
4. Try a vegetable or fruit you've never had before and record a fun 30 second video reviewing how it tastes.
5. Research healthy snacks and then make two. Take a photo and share your favorite.
6. Keep a food journal for a week to learn about your food habits.
7. Older scouts, compare the cost of purchasing a meal at a restaurant vs. buying the ingredients to make it

This Week's STEM Component

Cub Scout advancements:

Lions: N/A

Tigers:

Tiger Bites: (1) With your parent, guardian, or other caring adult, find out about good food choices and not so good choices. Identify three foods that you think would be good choices and three foods that would not be good choices. (2) Explain the importance of hand-washing before a meal and clean up after a meal, then show how you would do each. (3) Show that you know the difference between a fruit and a vegetable, and eat one of each. (4) With your parent, guardian, or other caring adult, pick a job to help your family at mealtime. Do it for at least four meals.

Wolves: N/A

Bears:

Bear Picnic Basket (1) Create your own bear cookbook using at least five recipes you might cook or prepare either on your own or with some adult help. Include at least one recipe each for breakfast, lunch, dinner, and a nutritious snack. (2) With a family member, prepare for cooking by explaining the importance of planning, tool selection, sanitation, and cooking safety. (3) Select and prepare two nutritious snacks for yourself or your family. (4) With the help of an adult, select a recipe to prepare in a kitchen, or outdoors, for your family. Help to select the needed ingredients, cook, and serve your planned meal. Clean up after the preparation and cooking.

Webelos:

Cast Iron Chef: (1) Plan a menu for a balanced meal for your family. Determine the budget for the meal. Stay within your budget. (2) Prepare a balanced meal for your family if possible, use one of these methods for preparation of part of the meal: camp stove, Dutch oven, box oven, solar oven, open campfire, or charcoal grill. Demonstrate an understanding of food safety practices while preparing the meal. (3) Use tinder, kindling, and fuel wood to demonstrate how to build a fire in an appropriate outdoor location. If circumstances permit and there is no local restriction on fires, show how to safely light the fire, under the supervision of an adult. After allowing the fire to burn safely, safely extinguish the flames with minimal impact to the fire site

Mr. STEM Scout....Patrick is back!

Today Patrick has prepared an experiment that is guaranteed to get a bubbling reaction!
You can use household items to create this experiment right at your home!
