Dear Unit Leaders:

Congratulations on making the choice to have your unit fund its Scouting program through the Popcorn Fundraiser. This year more than ever, a successful popcorn sale will be vital to planning and running a quality Scouting program in the months to come.

We want everyone to know the health and safety of our Scouts, volunteers, and Scouting families remains our top priority. The GSMC and Trails End have collaborated to provide what we feel is the safest most effective way possible to carry out the popcorn sale this fall. In the pages that follow this letter you'll see our detailed plan for a successful safe sale.

The Popcorn Sale is a great way for you to fund your unit's Scouting year and meet the needs of your unit and individual Scouts all while providing a quality program for your Scouts. The money you earn from the sale of popcorn can be used to cover registration fees, trips, activities, day camps, summer camps and high adventure experiences (for the youth) with less out-of-pocket expense for your families. Help all of your families save money by encouraging 100% Scout Participation! This year's popcorn fundraiser can be the best fundraiser ever!

The sale is also important to our council. The funds earned by the Great Smoky Mountain Council from the sale of popcorn are used within several areas. Proceeds from the sale of popcorn has been used to make improvements to our council summer camp, day camps, and resident camps.

We hope you'll use this guidebook as a step-by-step manual to planning, executing, and enjoying the rewards of a successful popcorn sale. After all, we know that the most important part of the popcorn sale is what it allows your unit to do!

Thank you for your participation. Have a great sale and an even better year in Scouting!

Sincerely,

Paul Renier

HOW MUCH DO YOU NEED TO SELL?

The average Scouting program costs $350 per Scout for the entire year. On average, Scouts can sell $1,000 popcorn in 8-10 hours and fund their entire year of Scouting. Review your units Scouting Program calendar and budget for the year to determine how much popcorn you will need to sell to fund your Ideal Year of Scouting. Use the worksheet below to calculate your Scout Sales Goal.

Scouts can fund their entire year of Scouting in only 8 - 10 hours (on avg).

BUILD YOUR POPCORN TEAM

As the Kernel, you will act as the Team Leader, and then you’ll need to bring in others to assist as needed. Your team size will depend on your unit size, but we recommend a minimum of 3 people.

Look for individuals that could fit into one of the following three categories: Sales-Minded, Detail-Oriented, and Outgoing Personality.

The Sales-Minded team member is great for training Scout families to sell and is the point person for any questions. The Detail-Oriented team member is responsible for tracking inventory and finances. Lastly, the Outgoing Personality team member is in charge of the unit kickoff, motivating Scouts and parents, promoting incentives, and managing social network communications.

When you build a Popcorn Team, you’ll share the work across all team members. We all know that many hands make light work, growing your team will help you grow your sale. Your team will share and retain their knowledge, so that when it’s time to find a new Popcorn Kernel there are other leaders that are trained and ready to take on the position.

Once you have your team, it’s time to determine how you plan to sell.
# MULTIPLE WAYS FOR SCOUTS TO SELL

| ONLINE DIRECT | Online Direct sales are easier than ever for Scouts to sell to friends and family and face-to-face with the new functionality for a Scout to record an Online Direct order in the app. The product ships to the customer, and it’s the SAFEST fundraising option for Scouts. Scouts setup their Trail’s End account by downloading the Trail’s End App, and they can sell face-to-face or share their fundraising page via email, social media and text message. Customers pay via credit/debit securely, and the products ship directly to them from Trail’s End. There’s no work for the kernel, and Scouts can fundraise year-round! |
| WAGON SALES | Scouts collect orders in the app and deliver on hand product or mark product as “undelivered” to be delivered at a later date. This can also be taken through neighborhoods, but is great for parent’s co-workers, friends and family. It is at the units discretion whether money is collected up front or upon delivery. |
| WAGON SALES | Involves the Scout bringing product door-to-door to customer residences to ask for support. This method is preferred for neighborhoods close to home. A large percentage of homeowners say that no Scout has ever come to their door, missing this great opportunity. Product is carried with the Scout in a wagon or vehicle, making it a quick and easy process for the customer. |
| STOREFRONT SALES | Involves coordinating booths in high foot traffic locations throughout your community. Begin the reservation process early (we suggest starting in May) to reserve the best locations. It is best practice to have ONE Scout and ONE parent at each shift to cover more shifts during the course of the sale. |

• With your Scout, go through the contact lists of your phone(s) and your social media friends lists (ie. Facebook).

Draft your Scout’s sales pitch.
• Example: Hi **customer’s name**, I am raising money to help pay for summer camp. Please follow the link to my fundraising page and make a purchase that will help me earn my own way in Scouting. Can I count on your support?

WRAPPING UP THE SALE

STEPS TO FOLLOW:

• Collect and add together all popcorn orders from your Scouts.
• Use the Scout table in the Unit Leader Portal to track sales by Scout. This is how Trail’s End will verify how much Scouts sold for the distribution of Amazon.com Gift Cards.
• Place a final order in the Trail’s End system.
• Pick up final popcorn order.
• Distribute popcorn immediately to Scouts for delivery and payment collection.
• Pay the unit’s statement. The amount due will be the total sales less the unit’s commission - this will be on the statement.
• Units paying by check must send ONE check (checks made out to units cannot be accepted.)
• Submit your Trail’s End Rewards order through the Unit Leader portal and the Amazon.com Gift Cards will be delivered electronically to the Scout’s Trail’s End account approximately 5 days after submitting your Scout totals unless flagged for review.
• Hold a unit celebration for a job well-done--have Scouts bring what they bought on Amazon and thank the Scouts, parents, and leaders!
• Hold a session to discuss sale pros and cons to improve next year.

THANK YOU FOR ALL YOU DO FOR SCOUTS AND SCOUT FAMILIES!

31 | Popcorn Kernel Guidebook Appendix
Individual Youth Accounts

A Scout is thrifty. Learning to manage money is one of the ways the Boy Scouts prepare youth for life. Budgeting and earning money to accomplish goals through an approved council or unit project helps Scouts develop self-reliance and the skills of personal finance management. Unit fundraising designed to make Scouting affordable is a fundamental part of Scouts “earning their way.”

Product sale fundraising is an important asset to units and their members to help provide the resources required for Scouting to succeed.

Private benefit rules of the Internal Revenue Service prohibit those involved in nonprofit fundraising from receiving a substantial personal benefit for their efforts. Some practices where dollar for dollar credit is provided for the sole benefit of the person who sold product based upon amount sold could violate the private benefit prohibition.

While the BSA has not endorsed “Individual Scout Accounts” for private benefit of individual Scouts who participate in fundraising because of the IRS rules, unit fundraising designed to make Scouting affordable is a fundamental part of Scouts “earning their way”.

Funds raised by the unit from product sales belong to the unit. They may not be transferred to the Scout or another unit but may be re-assigned to units sponsored by the same chartered organization, such as when a Scout moves from Cub Scouts to Boy Scouts or Boy Scouts to Venturing. The unit committee is responsible for expenditures from unit funds for the benefit of the unit. Unit funds may be used to reduce the cost of participation, including the cost of attending camp or obtaining uniforms.

They may be used to provide financial assistance or awards to individual Scouts based upon their level of participation generally or in specific activities benefiting the unit, chartered organization or community, attendance, advancement and/or need. Unit funds may be used to buy equipment for the unit or for any other legitimate need of the unit.
